Modern Slavery and Human Trafficking statement for the Financial year ending 31st January 2020

We are committed to ensuring that there is no modern slavery or human trafficking in our supply chains or any other part of our business.

We act ethically and with integrity in all our business relationships and undertake due diligence to identify and assess potential risk areas. We require all persons working for us, as well as our contractors, suppliers and other business partners to comply with this statement.

We welcome the Modern Slavery Act (2015) and fully support this legislation.
